

Original London Sightseeing Tour

Hop-on, Hop-off tour of London.

جولة لمشاهدة معالم مدينة لندن الأصلية

The Original London Sightseeing Tour provides more than just a great way to travel around London. Founded in 1951 at the time of The Festival of Britain and now the largest single sightseeing operator in the world, it has now become established as the essential introduction to London. It is the only sightseeing tour to offer you total choice and flexibility. The Hop-on Hop-off service allows you to board any of our tour routes at over 90 different stops with a commentary in English or a wide choice of other languages. Our Kids' Club provides an educational but fun alternative for 5-12 year olds. Our services are frequent and reliable with tours running daily, every 15-20 minutes. The Original Tour allows you to experience all the magical sights and sounds of London in a comfortable and secure environment.

FREE Thames River Cruise

City Cruises is pleased to offer customers of The Original Tour a FREE cruise on the River Thames through London.
